CAREER DEVELOPMENT CENTER

Empowering youth through skills

01 ABOUT CAREER DEVELOPMENT CENTER (CDC)

Career Development Center was established by the Punjab Government in Sargodha University in June 2012 under the umbrella of Gender Reform Action Plan.

Considering the importance of Personality, Soft and Hard Skills Development among the students, University of Sargodha established its multipurpose CDC in 2019 that is the only well-established center in any public sector university of Pakistan. CDC aims to provide opportunities of on hand professional and personal grooming for students by engaging them in Interactive, Critical Thinking Focused Sessions and Self-help groups. These trainings provide comprehensive assistance in preparing students for the world of work and professional life.
